Certification Summary

Current SBA	VOSB, SDVOSB
VOSB	Certified: July 8, 2026 - July 8, 2029
SDVOSB	Certified: July 8, 2026 - July 8, 2029
Ohio VFBE	VFBE - 202505-22003
Effective	June 3, 2025 - June 3, 2027

Core Technology Capabilities

Custom programming

Small applications, admin tools, forms, portals, and workflow screens.

Web systems

Websites, landing pages, content systems, support pages, and launch readiness.

Cloud and hosting

Hosting coordination, DNS, SSL, cloud planning, system cleanup, and release checks.

Data and reporting

Data cleanup, dashboards, recurring reports, and operating views.

Integrations

API, webhook, email, payment, billing, and third-party service coordination.

Automation

Repeatable task support for clear processes, handoffs, and operating routines.

Engagement Fit

Good-fit requests include system cleanup, web and cloud coordination, data and reporting work, small internal tools, integration support, automation of repeatable tasks, and procurement requirements that match the verified NAICS profile.
